

Milan School of Medicine

Person Centered Medicine International Academy

International School in Person Centered Medicine

International Program in Person Centered Medicine

Direction : Prof. Giuseppe R.Brera MD- MA- LD- MALD

- + International Seminars in Person Centered Medicine (degree 1)**
- + MA in Person Centered Medicine (degree 3)**
- + MAsc in Person Centered Medicine (degree 4)**
- + 1st PHD IN PERSON CENTERED MEDICINE (degree 6)**
- + Post-Doctorate in Medical Education in Person Centered Medicine (degree 6plus)**
- + Licentia Docendi (LD) in Person Centered Medicine (degree 7)**
- + Magisterium LD in Person Centered Medicine (degree 8)**

The PCMIP program is realized through learning modules in the University Ambrosiana degree system

+ INTERNATIONAL SEMINARS IN PERSON CENTERED MEDICINE

(ONLY LIVE

Release of the attendance certificate to the IPCM program attendance certificate

Module A (on line)

Courses

+ MA in Person Centered Medicine

Module B (live)

Course

MA in Person Centered Medicine

Module C (on line)

MA in Person Centered Medicine

Module D (on line)

Dissertation MA in Person Centered Medicine

Modules A+B+C+D: International MA in Person Centered Medicine

Release of the 3th Degree: MA in PCM

Module E (live)

Course

✚ MASc in Person Centered Medicine Science

**The Diploma of MA in PCM (Modules A+B+C+D) is necessary condition to be admitted
to MASc in PCM**

Module F (on line)

**Preparation and the MASc in PCM reviewed dissertation
Release of the 4th degree MASc international Diploma in PCM**

✚ PhD in Person Centered Medicine

Module G (on line)

Module H (live)

Module I (on line)

Preparation and supervision of the PhD dissertation in Person Centered Medicine

Release of the PhD Diploma in Person Centered Medicine (6th degree)

**Diplomas and Educational credits allow the
admission as member to the Person Centered Medicine International Academy**

INTERNATIONAL SEMINARS IN PERSON CENTERED MEDICINE

DEGREE 1 (ONLY LIVE)

LEARNING OBJECTIVE

A.THEORY

1. THEORY : THE EPISTEMOLOGICAL AND SCIENTIFIC PARADIGM OF PERSON CENTERED MEDICINE ©
- 2 THEORY: THE EPISTEMOLOGICAL STRUCTURE OF THE PERSON CENTERED HEALTH MODEL©
- 3 THEORY: STRUCTURE OF THE PERSON CENTERED MEDICINE CLINICAL METHOD

B. PRACTICE

- 4 INDIVIDUAL TRAINING IN APPLYING PERSON CENTERED CLINICAL METHOD

B. TRAINING ON THE PERSON CENTERED MEDICINE CLINICAL METHOD CLINICAL APPLICATION ^{1 2 3}

⁴ Brera G.R *Reliability and validity of Person Centered Medicine Clinical Method for a Person and People Centered Care: a survey on 144 clinical reports of 72 physicians trained to apply Person Centered Clinical Method to adolescents from the Academic Year 1997 to 2002 at the Milan School of Medicine of the University Ambrosiana*” Paper presented in the 5th Geneva Conference on Person Centered Medicine April 30 – May 2, 2012. DOI 10.13140/RG.2.1.2563.5367

LEARNING OBJECTIVES OF THE TRAINING ^{5 6}

A. DIACRISIS METHOD

Anthropic effect method (AE) - - Empathic assessment method (EA) , Clinical Epoké method, (CE)- Person Diagnosis method (PD)

2. PHYSICAL EXAMINATION (PHE) (NOT OBJECT OF THE SEMINAR)

B PERSON CENTERED CLINICAL HYPOTHESIS METHOD (PCCH)

3. PERSON CENTERED CLINICAL SINTHESIS METHOD (CS) –CLINICAL DIAGNOSIS HYPOTHESIS METHOD (CDH)

4 ASSESSMENT OF CLINICAL OBJECTIVES METHOD (CO)

C. PERSON CENTERED CLINICAL SINTHESIS METHOD (PCS)

5. CLINICAL PORTRAIT METHOD (CP)

D. PERSON CENTERED THERAPY (PCT)

6. PERSON CENTERED THERAPEUTIC PROGRAM METHOD (PCTHP)

7. PERSON CENTERED CLINICAL ASSESSMENT OVER TIME METHOD (CLASS)

⁵ Brera G.R. *La medicina centrata sulla persona e la formazione dei medici nel terzo millennio*. Con l'introduzione di Iosef Seifert : I sette scopi della medicina (Person Centered Medicine and Medical Education in third Millennium with the introduction of Iosef Seifert . The seven aims of Medicine it.) Pisa:IEPI-Università Ambrosiana; 2001

SEMINAR PROGRAM

| 1s day | |
|----------------|---|
| 9 – 11 | Person Centered Medicine, Person Centered Medicine Clinical method Theory and the Person Centered Health Paradigm |
| 11.00-11,15 | Coffee |
| 11:15 – 13,00 | Person Centered Clinical Method Procedure (PCCM) Individual training in Diacrisis |
| 14 – 15,30 | Person Centered Clinical Method Procedure (PCCM) Individual Training in Diacrisis |
| 15,30 | Coffee |
| 15,30-17 | Person Centered Clinical Method Procedure (PCCM) Individual Training in Diacrisis |
| 2nd day | |
| 9,30 – 10,45 | Person Centered Clinical Method Procedure (PCCM) Individual training in PCCH |
| 10,45-11.00 | Coffee |
| 11:00 – 13,00 | Person Centered Clinical Method Procedure (PCCM) Individual training IN PCCH |
| 14-15,30 | Person Centered Clinical Method Procedure (PCCM) Individual training in PCS AND PCT |
| 15,30 | Coffee |
| 15,30-17 | Person Centered Clinical Method Procedure (PCCM) Individual Training in PCS and PCT |

**The Seminars in PCM confers educational credits of the MA in PCM
(Module A and first part of the Module B)**

+ MA in Person Centered Medicine (PCMMA)

MODULE A

+ Credits for PCMMAS, PCMPHD, PCMPDOC, LID

+ LID, PCMPDOC

On-line Module

Participants will be able to:

1. Describe the Relativity Theory of Biological Reactions, Allostasis Theory and the Paradigm Change in Medical Education
2. Describe the philosophical framework of Person Centered Medicine
3. Describe the Person Centered Medicine Theory
4. Describe and apply the Person Centered Medicine Clinical Method and Person Centered Medical Counselling

| | PROGRAM | Admissions |
|---------|---|----------------|
| On line | Change of the Paradigm in Medical Science –New operational concepts in Medical Science. The new conception Person Centered Health | Spring-Summer |
| On line | New operational concepts in clinics, epidemiology and research | Spring-Summer |
| On line | Person-Centered Clinical Method and Teaching Objectives | Spring-Summer |
| On line | Physicians communication with patients | Spring summer |
| On line | Assessment of learning | Spring -Summer |

MODULE B

MA in Person Centered Medicine (PCMMA)

+ Credits to PCMS, PCMPHD, PCMPDOC, LID,

+ **Live Module**

Specific Instructional Objectives

Participants will be able to:

1. Run step by step the Person Centered Clinical Method Quality Procedure and Fill-up the Person Centered Medicine Clinical Sheet
2. The Kairos program©® theory

| COURSE SCHEDULE AND PROGRAM | |
|------------------------------------|---|
| 1s day | |
| 14,30 – 16.00 | Person Centered Clinical Method Procedure (PCCM) Diacrisis |
| 16:00 | Nutrition break |
| 16:15 – 18.00 | Person Centered Clinical Method Procedure (PCCM) Diacrisis |
| 2nd day | |
| 14,30 – 16.00 | Person Centered Clinical Method Procedure (PCCM) Diacrisis |
| 16:00 | Nutrition break |
| 16:15 – 18.00 | Person Centered Clinical Method Procedure (PCCM) Doacrisis |
| 3rd day | |
| 14,30 – 16.00 | Person Centered Clinical Method Procedure (PCCM) Person Centered Clinical Hypothesis |
| 16:00 | Nutrition break |
| 16:15 – 18.00 | Person Centered Clinical Method Procedure (PCCM) Person Centered Clinical Hipotesis |
| 4th day | |

| | |
|---------------|--|
| 14,30 – 16.00 | Person Centered Clinical Method Procedure (PCCM) Phases Person Centered Clinical Synthesis and Person Centered Therapy |
| 16:00 | Nutrition break |
| 16:15 – 18.00 | Person Centered Clinical Method Procedure (PCCM) The Person Centered Medicine Clinical Sheet. |
| | |
| 18,15 – 19.00 | Learning assessment |

Module C on line

| | |
|---------|--|
| On line | Presentation of three clinical case –supervision on line with peers and tutors for each clinical case, reviewed Clinical Reports could be published on the Person Centered Medicine International Journal |
|---------|--|

MODULE D

Dissertation on line on the PCCM clinical application:

Two clinical reports written presented and discussed on line according Person Centered Clinical Method

Attendance to Modules A+B+C+D confers

the 3th Degree International Diploma (MA) in

 MA in Person Centered Medicine(PCMMA)

MODULE E

+ MASc in Person Centered Medicine (PCMMASc)

**Admission Requirement : MA in Person Centered Medicine
(Modules A+B+C)**

+ Credits for to PCMPHD, LID

Live and on line Module

General Educational Objectives

Participants will be able to:

1. Understand the relationships between the qualitative paradigm change in medical science and the scientific research process

Specific Instructional Objectives

Participants will be able to:

1. Create electronic databases in Excel, SPSS, Comprehensive Meta Analysis and EQS
2. Run SPSS analyses (e.g., qualitative research-descriptive statistics, graphs, correlation, ANOVA, regression)
3. Epidemiology basis, Run Comprehensive Meta Analysis to compute effect sizes and forest plots
4. Interpret statistical output and level of significance and prepare tables of results

COURSE SCHEDULE AND PROGRAM

| COURSE SCHEDULE AND PROGRAM | |
|------------------------------------|--|
| 1s day | |
| 9:00 – 10:30 | The change of the paradigm in medical science and the qualitative nature of research in Person Centered Medicine and in Person Centered Medical Education ©: from theory to practice for a new medical science-Quality and quantity in Medicine. |
| 10:30 | Nutrition break |
| 10:45 – 12:30 | Hands on lab: Training with SPSS |
| 2nd day | |

| | |
|----------------|--|
| 9:00 – 10:30 | Survey Research, Questionnaires, Descriptive Statistics |
| 10:30 | Nutrition break |
| 10:45 – 12:30 | Qualitative research in Person Centered Medicine clinical Method - Reliability, Validity Hands on lab: Training with SPSS |
| 3rd day | |
| 9:00 – 10:30 | Systematic Reviews, Meta-analysis |
| 10:30 | Nutrition break |
| 10:45 – 12:30 | Hands on lab: Training with Comprehensive Meta Analysis |
| 4th day | |
| 9:00 – 10:30 | Latent Variables and Advanced Methods |
| 10:30 | Nutrition break |
| 10:45 – 12:30 | Hands on lab: Training with EQS |
| 12:30 – 13:30 | New parameters in Epidemiology according Person Centered Medicine |
| | The course offers educational credits for the admission to PhD in Person Centered Medicine Education |

MODULE F

Dissertation on line PCCMS:

One reviewed Research project in Person Centered Medicine

Attendance to Modules E+F confers

the 4th Degree International Diploma :

MASc Person Centered Medicine (PCMMAS)

PHD IN PERSON CENTERED MEDICINE (PCMPHD)

Admission Requirements to the PhD

Ma in Person Centered Medicine

MAsc in Person Centered Medicine Science

1. Certificate in Person Centered Medicine

Module G

COMMON TO PCMPHD, PCMPDOC

On line Module

| | |
|---------|---|
| On line | Presentation of a research project in PCM : supervision |
| On line | Supervision and discussion of the project in PCM with a PhD tutorship |
| On line | Final elaboration of the research |
| On line | Presentation of three clinical case –supervision and three discussion webinars with peers and tutors for each clinical case ; publication on Person Centered Medicine International Journal on line |

Module H

Live Module

COMMON TO PCMPHD, PCMPDOC,

PHD IN PERSON CENTERED MEDICINE (PCMPHD)

COURSE SCHEDULE AND PROGRAM

| COURSE SCHEDULE AND PROGRAM | |
|------------------------------------|---|
| 1s day | |
| 9:00 – 10:30 | Qualitative Research models- |
| 10:30 | Nutrition break |
| 10:45 – 12:30 | Research models on Centered Clinical Method Procedure(PCCM) Diacrisis |
| 2nd day | |
| 9:00 – 10:30 | Research models on Person Centered Clinical Method Procedure Diacrisis |
| 10:30 | Nutrition break |
| 10:45 – 12:30 | Research models on Person Centered Clinical Method Procedure Diacrisis |
| 3rd day | |
| 9:00 – 10:30 | Research models on Person Centered Clinical Method Procedure Person Centered Clinical Hypothesis |
| 10:30 | Nutrition break |
| 10:45 – 12:30 | Research models on Person Centered Clinical Method Procedure (PCCM) Person Centered Clinical Hypothesis |
| 4th day | |
| 9:00 – 10:30 | Research models on Person Centered Clinical Method Procedure (PCCM) Person Centered Clinical Sinthesis |
| 10:30 | Nutrition break |
| 10:45 – 12:30 | Research models on Person Centered Clinical Method : Person Centered Clinical Sinthesis and Person Centered Therapy |
| 5th day | |
| 9:00 – 10:30 | Epidemiology oriented to PCM and research |
| 10:30 | Nutrition break |
| 10:45 – 12:30 | Elaboration of a research project draft according PCCM |

| | |
|--|--|
| | Course evaluation for admission to Module G |
|--|--|

| | |
|--------------------|---|
| 14.30 – 16.00 | Direct supervision of the research projects methods |
| 16.00-16,15 | Nutrition break |
| 16.15-18.00 | Preparing a paper for publishing |
| 18.00-18,30 | Conferring by the Rector of the University Ambrosiana the distinguished honour for the attendance to the 1st world PhD in Person centered medicine - |

MODULE I

PhD DISSERTATION MODULE

- 1. Presentation on line of the dissertation**
- 2. Discussion of the dissertation on line in forum with the PhD PCM Faculty**
- 3. Live ceremony of conferring the 6th Degree International Diploma :**

Phd in Person Centered Medicine

**+ Post-Doctorate in Medical Education in Person Centered
Medicine (PCMDOC)**

Requirements for admission

Ma in Person Centered Medicine

PhD in Person Centered Medicine

PD with the PHD IN MEDICAL EDUCATION

Receive University Credits to attend the Post Doc program

University Credits of Modules A C D E F

Dissertation

One Investigation on Medical Education in Person Centered Medicine

**+ INTERNATIONAL LICENTIA DOCENDI IN PERSON
CENTERED MEDICINE (ILD)**

Degree 7

Requirements for admission:

University Credits of the

Master in Person Centered Medicine (PCMMA)

(Modules A+B+C+D)

Learning Objectives

1. Medical Education in Person Centered Medicine Quality Procedures of the Milan School of Medicine

2. Practical training for acquiring the teaching skills

**3 Qualitative Dissertation on a Person Centered Teaching Procedure
(Individual learning history and assessment method)**

✚ Magisterium Licentiae Docendi

Degree 8

Learning objectives

Learning teaching to teach Person Centered Medicine

Dissertation

Individual learning History and assessment method
